# Indigenous IT Training & Employment Program

FULL TIME | ID FUSION SOFTWARE | CANADA

## JOB INFORMATION

**Industry:** Information Technology (IT)

**City:** The Pas/OCN, Winnipeg, MB

**WHERE TO APPLY:** <https://idfusion.com/it-training-program>

To apply, we invite you to submit your resume online and answer 11 questions so we can learn more about you and why you're interested in applying.

## WHAT WE ARE OFFERING:

- 3 Months of paid training for up to 15 hours per week (2, three-hour evening classes and 9 hours self-study) starting in July 2019.
- 9 Months of guaranteed work experience that is intended to become permanent
- Access to new equipment including a laptop, office space, and mentorship
- Support from a team of Project Managers, Senior Programmers, and IT Coaches
- Work on international scale projects with international companies
- Ongoing career development, training, mentorship and opportunities to increase your income

## TO QUALIFY YOU **MUST:**

- Be available for the 15-hour training for the full 3 months
- Be committed to Full Time employment at the end of the training that is intended to become permanent
- Be of Indigenous descent including First Nation, Metis, Non-Status, Inuit
- Be friendly, comfortable working as part of a team, and willing to learn

This is an opportunity to learn the basics of coding, quality assurance testing, networking and IT help desk support in a supportive environment. The goal of this program is to provide you with the knowledge and experience to continue with your IT career or additional post-secondary education.
